

LGSEC Quarterly Meeting & ZNE for Local Governments Workshop

Annenberg Beach House | Santa Monica, CA
Friday, December 9, 2016

Today's Goals

- **Learn** about case studies on ZNE buildings, programs and tools
- **Get inspired** – new research and emerging trends
- **Gain new strategies for design & planning** to support ZNE buildings, policies and plans
- **Interact** – meet your colleagues and resource providers; foster peer-peer knowledge transfer

Introductions & Expectations

Who's here today?

What are your expectations for the workshop?

Anyone working on a ZNE project or Policy?

THANK YOU TO THE CPUC

This workshop is offered with support from the California Public Utilities Commission to support advancement of zero net energy buildings
